Running with Horses is a comprehensive Bible study designed for those who are ready to live the life God has planned for you in the Promised Land. This class goes deeper into the challenging aspects of the Christian walk such as the sacrificial life, humility, difficult people, unity with God and serving Him. The class includes video-teaching, small group discussion, personal study. See class sample, testimonies and lessons descriptions: <https://www.hishealinglight.org/classes/running-with-horses/>

Format: teaching and small group discussion on-line via Zoom; you will need a **quiet private stationary space**. Not only so that you can hear undistracted, but also that you are not a distraction to others. Headphones can also be used for additional privacy. Moving vehicles or going for a walk during discussions/video is NOT an option. You need to be okay with being seen online to the entire group. It is absolutely fine to eat dinner or snacks; we may have several time zones.

Materials: Student Materials: <https://www.hishealinglight.org/product/running-with-horses-student-workbook/> \$35-38 + shipping that **you order**. There are no additional fees but I do ask for a **sincere participation commitment**. Option to purchase the streaming lessons, talk to me about this first, the admin has a request for our extended 26 weeks. Yes, you can use your older Running with Horses books if you have taken this class before.

Each Week: I will open up the Zoom link 15 minutes early for chatting and tech check. **Video** starts promptly after opening remarks at the time noted above and runs 45-50 minutes. We will then take about a 5-minute break followed by small group discussion time that includes some questions from the homework as well as the video material. Total class time is 2 – 2.5 hours. In addition to the weekly class, students complete 1 to 2+ hours of weekly homework that helps review the past week's lesson, prepare for the upcoming lesson discussion & apply each lesson to their lives. Make up classes – stream on your own.

About the Class Facilitator: My name is Robin and I started my journey in 2020 after waiting on wait list three years, God knew when, better than I, smile. I have been both an in-person and virtual student. I completed the Bootcamp, have gone to a retreat and apprenticed. I have taken all the classes and I have facilitated each of the other classes 2-3x. This will my third time taking a group through the Running with Horses. Although I have taught other material, this study has had the most impact for me. I serve alongside my husband in a RV Volunteer Ministry, so sometimes I am doing this from different places/states.
